Free Breakfast Program Launching October 1

On September 9th, Governor Wolf announced a universal free school breakfast program for all Pennsylvania K-12 students for the 2022-2023 school year. Starting on Monday, October 3, all students will be eligible for a free breakfast at school for the duration of the 22-23 School Year. A breakfast meal consists of an entrée item, fruit and/or fruit juice, and milk. A fruit or juice **must** be taken for breakfast to be free of charge

- One free breakfast **meal** per enrolled student per school day
- Second breakfast meals can be purchased after the first breakfast is received free of charge. Students must have money in their lunch account for **second breakfast meals, but the first is still free.**
- Students will enter their Student ID number into the pin pad at the register once their meal is selected
- Student ID number is also known as their "S" number in most schools
- All Pennridge Schools serve breakfast every day in the cafeteria

This new program will not affect school lunches. Free and reduced lunch status will continue to depend on individual family eligibility.

Families who **qualify** are encouraged to participate in the Free or Reduced Priced Meals program to help offset the cost of daily lunch.

Be sure to apply for the financial support that your family may be eligible to receive.

- On our website, we have the income guidelines for free & reduced lunch qualifications; click here. <https://www.pennridge.org/Page/1875>
