## **PennrIDGE School District hires Tara Mossman as the new Director of Human Resources**

**PERKASIE, Pa. –**

During their December meeting, the Pennridge School Board unanimously approved the hiring of Tara Mossman and, as a result, the Pennridge School District proudly announces our new Director of Human Resources.

Ms. Mossman joins the Pennridge family and brings an impressive and award-winning career path to us. She has worked in the Reading School District, Pottsgrove, and most recently Salisbury Township School District.

With words like, “leadership,” “innovation,” “dependable, and “resourceful,” Ms. Mossman comes to Pennridge with a refreshing list of recommendations from all of her previous stops and looks forward to embracing the more than 1200 staff members in the Pennridge School District.

Ms. Mossman has been the Human Resources Coordinator for the Salisbury Township School District since 2019. Prior to that, she was the Benefits Specialist in the Pottsgrove School District for three years and an Attendance and Leave Specialist in the Reading School District. Working in Salisbury, a relatively small district, has allowed Ms. Mossman to gain experience across all of the job responsibilities that her department is responsible for. There is not an area of Human Resources that she cannot address through her professional experiences. Ms. Mossman attended Spring-Ford High School, received her Bachelors from the University of Arizona, and HR Certificate from Moravian University, and is completing her Masters in Human Resources at Moravian.

Pennridge School District Superintendent, Dr. David Bolton said after Ms. Mossman was recommended to the School Board to be hired, “Ms. Mossman is intelligent, personable, positive, energetic, and thorough. She will make a great addition to our team in Pennridge.” Dr. Bolton also commented on the extensive tenure of the outgoing Human Resources Director, “we also have to wish a wonderful retirement to Jacqui McHale. Jacqui has served Pennridge well during her almost 9 years. She built her department and led it with a focus on professional best practices and care for each individual. Jacqui is the consummate professional, trusted advisor, and good friend to many of us.”

Among many other initiatives, Ms. Mossman looks forward to modernizing and refining the recruitment process through digital communication and resources as well as listening and working with all stakeholders to improve the overall employment experience with the Pennridge School District.
