The attached Multiple Occupancy form must be completed signed and notarized by both the legal parent of the child/children being registered and the legal homeowner of the district. This form will serve as **one** form of proof of residency; you are still required to provide the district with two more acceptable forms of proof of residency for your child/children's registration to be considered complete. One form **must** be the homeowners lease/rental agreement and/or property deed and the additional proof must be in the legal parent/guardian's name. Please make sure that the homeowner's proof of residency matches the notarized signature on the form.

Please note that a review of your multiple occupancy can occur each year and you may be required to complete a new Multiple Occupancy form each year your child is enrolled in the district if your status remains as a multiple occupancy situation. If you and your child/children establish your own permanent legal residency you will need to do a change of address at your child/children's school to change your residency status.

Acceptable forms of proof of residency must include the legal parent/guardian's name and full physical address of the property (PO's are not acceptable forms of proof or residency). Below is a list of what we will accept as proof of residency.

- **Current Utility Bills (Peco/PPL/UGI/Verizon/Comcast/Boro Water/Boro Electric etc...)**
- **Current Credit Card Statement Current Bank Statement Current Vehicle Registration**
- **Current Welfare Documentation Current Health Insurance Documentation**
- **Current Valid PA Driver's License**
- **Post Office Change of Address Verification**

Thank you for your time; should you have any questions or concerns please feel free to contact me directly at (215) 453-2793.

Thank you.
