

# The Lady Ram Basketball "Mini" Camp

Directed by: Jason Rapp  
Head Coach, Pennridge High School

The goal of the "Mini" Camp is to introduce the basic skills of basketball to beginners and continue to develop the skills of the more advanced player. We will focus on providing organized, enthusiastic, purposeful, and fun instruction for all our Campers. Also, we want our current Pennridge players to connect with the "future players" in our community.
